PAPER PUMPKIN CARD CLUB  
CARD 2 RECIPE

Calypso Coral Card Stock cut 5 1/2" x 8 1/2" scored at 4 1/4"

Calypso Coral Card Stock cut 5 1/2" x 8" scored at 2" and 4"

Half of the Calypso Coral card base from the Paper Pumpkin Kit cut to 4" x 5 1/4" added to the front of the card base (5 1/2" x 8 1/2" scored at 4 1/4")  
When adhering to the base use glue only on the outer edge of the piece so you can cut the circle out and have both pieces to use for your inner piece.

Using the Stylish Shapes (159183) largest circle centered on the front of your card (centered) run through the Cut and Emboss Machine TWICE. You are cutting through two layers.

Now add the second Calypso Coral Card Stock piece (the scored piece at 2" and 4") to the inside of the card with the scored pieces to the right, front and centered to the back of the card base.

## Page 2 Welcome Inn Card Club

Add a piece of Basic White Card Stock 4" x 5 1/4" to the inside of the card stamping your verse before adhering inside card.

Close card, add the Calypso Coral CS circle by adding glue to the right side only and placing it on the inside scored Calypso Coral card stock that is scored at 2" and 4".

Take the DSP circle and use the second largest circle die from Stylish Shapes dies and cut a smaller circle to add to the Calypso Coral CS circle (using dimensionals to adhere this circle for dimension).

Add Sentiment and Embellishments
